Fairway View Condominium Association Dryer Vent Cleaning Opt-Out Form

Please write in the space below the reason or reasons that you are requesting to opt-out of the mandatory dryer vent cleaning requirement.

Note: Examples of acceptable reasons to opt-out: I have a ventless dryer. I don't own a dryer. I had my dryer vent cleaned within the last six (6) months and have attached the dated receipt.

Submit this completed and signed form to Association Management Services NW no later than October 15, 2023.

By opting out of the dryer vent cleaning in 2023 I agree that:

If I plan to start using my dryer anytime in the future, I will first have the vent professionally cleaned.

I will submit to AMS a copy of the receipt of cleaning with the name of the company and date cleaning occurred. If I do not comply with items #1 and #2, and use my dryer without having the vent cleaned, I will be subject to paying a fine and will be held responsible for any and all damages that occur as a result of any type of fire caused by an uncleaned dryer vent.
